WHAT YOU HAVE

• A turnkey "YouTube Automation Starter Pack" for Fiverr + Shopify.

• Templates, listing texts, thumbnails, and delivery structure.

• Drop your own media (exported from your GCP buckets) into the folders noted below.

WHERE TO DROP YOUR FILES

• Place your hero demo video in: Fiverr_Starter_Kit/Delivery/demo/final_video.mp4

• Place 3–10 audio beds in: Fiverr_Starter_Kit/Delivery/audio_beds/

• Optionally add more demos in: Shopify_Creator_Kit/Product_Files/

HOW TO PRICE (suggested, adjust as you prefer)

• Fiverr: Basic 1,200–3,500 ■, Standard 6,000 ■, Premium 15,000 ■

• Shopify: 499–999 ■ for the digital "Creator Kit" download

LAUNCH CHECKLIST (FIVERR)

1) Create a new gig: "Set Up YouTube Automation Starter Pack (7 Shorts/day for 30 days)"

2) Use thumbnail.png provided under Fiverr_Starter_Kit/Assets/ for the primary image.

3) Paste the gig title, description, FAQs, and pricing from Fiverr_Starter_Kit/gig_text/.

4) Upload the demo video (final_video.mp4) under the Gig Gallery.

5) Set delivery: Basic 3 days, Standard 5 days, Premium 7 days.

6) Publish and activate "Get Brief" with the questions in gig_text/brief.txt.

LAUNCH CHECKLIST (SHOPIFY)

1) Import Shopify_Creator_Kit/shopify_product.csv in your store admin.

2) After the product is created, upload your product zip (see Shopify_Creator_Kit/Product_Zip/).

3) Set product type = Digital. Uncheck "This is a physical product".

4) Price at 499–999 ■. Set Compare-at price slightly higher for perceived value.

5) Publish product and add it to your "Digital Creator Kits" collection.
